Green Expert Technology Inc. Announces Award of Seaport-e Prime  
*Company is awarded a Prime Contract with U. S. Navy under the Seaport-e program*

**Cherry Hill, NJ, April 2, 2015:** Green Expert Technology Inc. (GreenXT), a technical, engineering, and management consulting firm, has been awarded a Seaport-e prime contract and first task order. "This is a tremendous milestone in the life of our growing corporation," said Heather McIlvaine, GreenXT Proposal Manager.

The scope of Seaport-e Multi-Award Contract enables GreenXT to win task orders from the Naval Sea Systems Command, Naval Air Systems Command, Space and Naval Warfare Systems Command, Naval Supply Systems Command, Military Sealift Command, Naval Facilities Command, Strategic Systems Programs, Office of Naval Research, and the United States Marine Corps, to provide services that potentially span the entire spectrum of mission areas supported by the activities and technical capabilities that comprise the various ordering offices. Services may be performed under this contract for new product areas, programs, or missions, which are assigned to these activities during the life of the contract. Additionally, activities may provide limited support under this contract to other Department of Defense (DoD), non-DoD, or Joint agencies for work that is integrally related to product areas and mission.
